

A BIT ABOUT YOUR CHILD

Your child's name.

Questions for parents:

How would you describe your child?

Something funny, unique or quirky about your child.

If there were an after school program specifically catered for your child, what would it be like? (It's ok to dream here. It doesn't have to be realistic!)

What are your child's interests?

As we get to know your child, what are some things we will enjoy about them?

Anything that would be helpful to know about your student?

Questions for Kids:

What would the perfect after school program be like?

What are some things that you like to do, that you want to get better at?

What are some things that you would like to learn to do?
